Work Plan for Monitoring (RCBA 2.F(2))**

Dear Mr. Mitchell:

Attached is Chevron's Work Plan for monitoring. This plan is being submitted in compliance with the Refinery's Energy and Hydrogen Renewal Project's Richmond Community Benefits Agreement, Section 2.F(2), which requires Chevron to provide the City's Planning & Building Services Department with a work plan within 90 days of the effective date of the agreement (i.e., within 90 days of July 17, 2008).

Chevron looks forward to working with the City and neighborhood councils to review and implement this plan.

If you have any questions concerning the information provided in this plan, please contact Mr. Bob Chamberlin at (510) 242- 9234.

Sincerely,

Tery Lizarraga
