Mr. Dean R. O'Hair  
Chevron Products Company  
PO Box 1272  
Richmond, CA 94802-0272

Dear Dean O'Hair,

I am writing to thank the Chevron Products Company for the tremendous generosity that you have so consistently shown to the Bay Area Rescue Mission and to report on the successful application of your October 20, 2005 gift of \$10,000 to support our endeavors in reaching out to those who are less fortunate and most in need during the winter months.

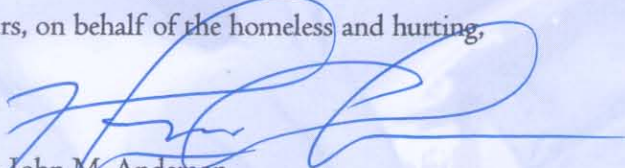

As you know, the Bay Area Rescue Mission operates year-round, providing food, shelter, and charitable Christian assistance to homeless men, women, and children and to the near-homeless or extremely low-income families of our community. Every night we offer 325 shelter beds and provide roughly 2,100 meals daily.

However, the winter season is especially critical to our clients, both because of the physical hazards of cold, wet weather and longer nights and because of the emotional challenges of being homeless and isolated during the holidays. That is why we respond with both our regular programs of assistance and special holiday services – to bring real help for today and to offer hope for tomorrow.

We are very grateful for the generosity and compassion that you, Dean, and the Chevron Products Company continue to show our clients and for the encouragement you give to us. Attached is the impact narrative of Chevron Products Company's \$10,000 gift issued October 20, 2005. *"Together we are Changing Lives for a Brighter Tomorrow!"* Thank you.

If I can answer any further questions about the Mission's programs and services, or if I can provide you with a tour of our facilities, please don't hesitate to contact me.

Yours, on behalf of the homeless and hurting,

  
Rev. John M. Anderson  
President/CEO
