Dear Mr. O' Hair:

On behalf of the clients, staff and volunteers of the Alisa Ann Ruch Burn Foundation we want to thank the **Chevron Products Company Richmond Refinery** for the generous contribution of **\$5,000.00** received on **4/3/06** for our programs. We could not make a difference without your invaluable support.

The Alisa Ann Ruch Burn Foundation is a non-profit 501 (c) (3) organization (Federal tax ID number 23-7162017) dedicated to burn prevention and helping children and adult survivors of severe burn injuries. The Burn Foundation derived its name and inspiration from an eight-year-old child, Alisa Ann, who died from injuries sustained in a backyard barbecue accident.

Since 1971, the Burn Foundation has worked in partnership with firefighters, educators, and burn care professionals to develop innovative programs such as Champ Camp - our summer camp program for burn-injured children ages 5-16. Other services and programs include our Back-to-School Program - in which staff and trained volunteers provide on-site presentations to ease the transition back into academic and social settings after a burn injury, and Support Groups - in which survivors, caregivers and family members can work through social and psychological issues surrounding a burn injury.

Again, thank you for your generous contribution and support of the Alisa Ann Ruch Burn Foundation. Our programs would not be possible without it.

Sincerely,

Dave Miller
President

P.S. Federal tax law requires us to inform donors that you received no goods or services as a result of your gift. This letter is official acknowledgement of your gift. Your canceled check and our letter serve as proof of your gift. Thank you.
