Dear Mr. O'Hair:

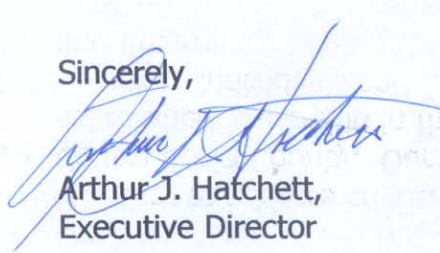

This letter is written to thank you and acknowledge Chevron Products Company for the generous donation of \$4,000.00 supporting efforts of the Greater Richmond Interfaith Program (GRIP).

GRIP, as you are aware, is an interfaith, interracial coalition of 40 member congregations – Catholics, Protestants, Jews, Muslims, and Sikh – working together to address critical issues of human dignity and social justice in West Contra Costa County. Our interfaith agency for nearly four decades has established leadership in this community ministering to the needs of hungry and homeless individuals and families through our Souper Center, Resource Center and Emergency Winter Shelter Program for Families. Yet, this is a most exciting time in the life of this organization as we watch the construction of the new Family Shelter and Supportative Services Facility. Upon completion of the construction, we will be able to expand our programs to include a year-around shelter for homeless families and consolidate staff support to serve more efficiently.

Again, on behalf of the Board of Directors, member congregations, volunteers and staff, we thank you for your donation which will be used to support GRIP efforts to serve needy families in the West Contra Costa County.

Per your request, the charitable contribution form has been completed and returned to your Public Affairs Contributions Administrator.

Sincerely,

Arthur J. Hatchett,
Executive Director
