Dear Mr. O'Hair:

You rock! That's teenage lingo for you're great!

Thank you for your 2005 tax-deductible contribution of \$2,500 from Chevron Products Company to the Junior Statesmen California Symposium Scholarship Fund.

As you know, this fund provides annual scholarships to the California Symposium, a unique educational program on state or local government and politics. We thank you for helping to make this experience available to a new generation of California students. It is an investment in the future leadership of our state and nation.

Sincerely,

Karen Prosser
