Dear Mr. Brumfield,

Thank you so much for Chevron's recent donation of \$2000 in support of our Board of Director's fundraiser at Draper & Esquin. It was a really great fundraiser and the money we received will be used to create a safer and more creative environment for our vulnerable population. Chevron's generous and consistent support of our program means so much to us.

As you surely know, our artists make quilts, ceramics, paintings, poems and prints. Their work is sold at the NIAD Art Gallery and the artists receive 50% of the sales price of their piece. By earning money, our artists gain the important sense of pride that their work is valued, and that they are part of the larger community.

NIAD serves sixty adults with developmental and other disabilities, and donors like you participate in our mission to promote creative expression, independence, dignity, and community integration. Thank you very much for thinking of us. Your donation is tax deductible as provided by law. Our tax identification number is 94-2837552.

You know you can come to NIAD any time Monday through Friday between 9:00 am and 4:00 pm to shop and visit. We'd be delighted to see you.

Again, many thanks.

Sincerely,

Patricia Coleman
Executive Director
