Dear Mr. O'Hair;

Thank you very much for Chevron's very welcome and appreciated donation of \$5,000 to Street Tech, which we received on November 15, 2007.

We value Chevron's support and the many ways you provide it. From donated computer equipment for our ReUse Tech program, to hiring Street Tech graduates, Chevron is truly a community partner.

Chevron's consistent support is a great source of comfort. Please rest assured that every cent of your donation is being put to work helping men and women in our community.

Again, thank you very much for your support.

Sincerely,

Barrie R. Hathaway  
Executive Director
