DOERS: Video Campaign
"Local Business"
0:30 second Script

VO: This is a story about DOERS, pipe, and pulled pork.

VO: These are the Smalls. They started with a torch and a truck.

KEN: Pipe welding for the energy guys.

VO: Now they design, make, and connect pipe for projects like this that get a bunch of other DOERS doing.

VO: And doin' makes DOERS hungry.

VO: Jeff fixes that.

JEFF: Got two locations now.

KEVIN: And we keep welding!

VO: Helping move fluids from A to B, while being sensitive to C, and that's important when moving the energy that keeps America doin'.

VO: And Chevron keeps small business doin' by spending billions with them.

VO: DOERS. Doing the stuff DOERS do to keep us all doin' what we do.
