Organizations to which Chevron historically pays membership dues that write model legislation not listed above include: The American Legislative Exchange Council (No lobbying expenditures, dues payment range \$15,000-29,999) and National Conference of State Legislatures (No lobbying expenditures, dues payment range \$15,000-29,999).

This list identifies U.S.-based organizations that reported a percentage of the January - June 2023 funding they received from Chevron as a lobbying expense. This disclosure goes beyond what is required by the Lobbying Disclosure Act, therefore the amounts reported may exceed other legal disclosures made. A good-faith effort has been made to compile this information.
