(“PDC Energy”) for 5.750% Senior Notes due 2026 to be issued by CUSA and fully and unconditionally guaranteed by Chevron (the “CUSA Notes”) and cash, and (ii) the related solicitation of consents (the “consent solicitation”) to certain proposed amendments to the indenture pursuant to which the Old Notes were issued (the “PDC Indenture”). A registration statement on Form S-4 (File Nos. 333-273642 and 333-273642-01) (the “Registration Statement”) relating to the issuance of the CUSA Notes was filed with the Securities and Exchange Commission (“SEC”) on August 3, 2023. Consents to the proposed amendments may be revoked at any time prior to the New Consent Revocation Deadline but may not be revoked at any time thereafter. Consents may be revoked only by validly withdrawing the associated tendered Old Notes. A valid withdrawal of tendered Old Notes prior to the New Consent Revocation Deadline will be deemed to be a concurrent revocation of the related consent to the proposed amendments to the PDC Indenture, and a revocation of a consent to the proposed amendments prior to the New Consent Revocation Deadline will be deemed to be a concurrent withdrawal of the related tendered Old Notes. However, a valid withdrawal of Old Notes after the New Consent Revocation Deadline will not be deemed a revocation of the related consents, and the consents will continue to be deemed delivered.

As of 5:00 p.m., New York City time, on August 11, 2023, 12,110,000 aggregate principal amount of the Old Notes had been validly tendered and not validly withdrawn in connection with the exchange offer.

The consummation of the exchange offer is subject to, and conditional upon, the satisfaction or, where permitted, waiver of the conditions set forth in the Registration Statement, including (i) the closing of the merger between PDC Energy and Bronco Merger Sub Inc., pursuant to which PDC Energy will continue as the surviving corporation and a direct, wholly owned subsidiary of Chevron (the “merger condition”), and (ii) that the holders of a majority of the outstanding Old Notes have validly tendered and not validly withdrawn such Old Notes in the exchange offer. Chevron and CUSA may, at their option and in their sole discretion, waive any such conditions except for the condition that the Registration Statement of which the Preliminary Prospectus forms a part has been declared effective by the SEC. All conditions to the exchange offer must be satisfied or, where permitted, waived, at or by the New Expiration Date. The merger condition was satisfied on August 7, 2023, when PDC Energy became a wholly owned subsidiary of Chevron.
