We Agree: Technology

Student
Technology is important to our future.

Chevron Plant Employee
Technology and energy go hand in hand.

Student
It's helping us become a leader.

Title
Put technology to work for Kazakhstan.

Chevron Plant Employee
At Chevron, we use advanced technology to tackle Kazakhstan’s complex oilfields.

Student
We’re finding better ways to do things.

Chevron Plant Employee
It’s helped us increase production here 27-fold since we began our operations.

Student
We’re moving our whole country forward.

Chevron Plant Employee
…And it keeps Kazakhstan moving forward.
